

SENDQUICK.IO API

A SINGLE API FOR ALL YOUR CHAT APPS

No effort needed, because we've done all the work for you.

SendQuick.io is a single and unified API that integrates all your applications and network systems seamlessly to all popular chat messengers and collaboration channels.

Single unified platform

Reach unlimited customers

Seamless configuration process

SENDQUICK.IO FEATURES

Reach users wherever they are with a single unified platform

SendQuick.io provides you with the convenience to quickly and easily chat with your customers on all the popular chat messenger platforms.

You do not need to get troubled over connecting to the popular channels where your customers are.

No user limits when you use our service

We do not limit any number of channels or accounts you wish to connect to.

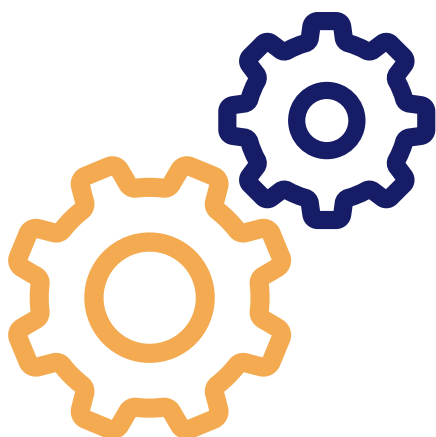

Why should we?

Our role is to allow you to connect, use and focus on your business messaging delivery.

OMNI-CHANNEL MESSAGING

connect with customer in real-time

Easy Configuration

We provide a step-by-step guide and support throughout your entire onboarding process for all supported chat messengers and collaboration tools.

SendQuick.io API does all the updates and connections for you, without any change, and without charges as well. You can continue focusing on your business and applications with a peace of mind.
